

The image features two identical red armchairs positioned side-by-side. Each chair has a square, boxy design with a high back and wide armrests. The upholstery is a deep red color. The chairs are supported by four white, tapered, conical legs. The background is a solid, light pinkish-red color. Overlaid in the center of the image is the word "TESSA" in a large, bold, white, sans-serif font. The text is centered horizontally and partially obscures the middle of both chairs.

TESSA

TESSA

Create unique social spaces
using the tessellating Tessa chair.
Launched - 2011.
